

CERTIFICATE

Reg.-No. Ü154-1/14

This is to certify that the following products

**Gully tops, manhole tops and drainage channels
for vehicular and pedestrian areas**

from the manufacturer

**HYDROTEC Technologies AG
Düngstruper Straße 46
27793 Wildeshausen**

comply with the regulation of the technical standards

DIN EN 124 (08/94)

according to the results of the manufacturers' internal production control and that of the external control carried out by the

**Amtliche Materialprüfungsanstalt Bremen
(MPA Bremen)
Paul-Feller-Str. 1, 28199 Bremen**

The manufacturer is hereby entitled to bear the above standardized control symbol as a certificate of control. This entitlement is valid only for the duration of the control contract and whilst the control contract is being conducted.

Bremen, 2014-01-21

(Dipl.-Ing. Axel Meyer
Head of authorised Certification Body of MPA Bremen)
